REPORT FOR THE MONTH OF DECEMBER 2014

This is the final report for the year 2014. All our competitions are over. Presentations will be taking place during the month and once again I say congratulations not only to the winners, but to all who put their names down and competed in all arenas. I know there were disappointments from time to time but this is the same in any sport and I am delighted to know that our ladies took these in their stride. Better luck next year ladies.

As Ladies President I have enjoyed a wonderful year and take this opportunity to thank my busy, professional and dedicated Committee members. These ladies keep the Club rolling along smoothly and are a true credit. There are other Club members who take time out of their busy lives to be on hand these include the selectors and all helpers who always put their 'hands up' whenever the need arises. Thank you ladies. Our stalwart 'bring and buy' ladies are always popping in with lots of goodies so thank you ladies for your ongoing support.

The Club staff are really outstanding. This group of professionals keep everyone well fed, watered and catered for at all times. Thank you ladies.

To the Board of Directors, I also extend my personal thanks for their support during the year. In particular I mention our Chairman, Byron, and Club Treasurer, Judyth, who continually put themselves out to help. Many will have noticed them serving and clearing up at our recent Fashion Parade just to mention one instant.

Now that my year is ending here at Pelican Waters, I thank all the ladies of the Club for their support and would take this opportunity to wish each and every one a happy Christmas and a safe and healthy 2015. May this wonderful Club continue to prosper.

CHAIRMAN'S REPORT:

Another year draws to a close—how fast they go. Your Club has had another successful year showing a profit, thanks to the support of our members and volunteers.

This month has been extremely busy with two ladies bowling arm functions and two big Birthday parties along with our normal trading. It was nice to see a good turnout for our Volunteers Day sponsored by our insurers BCIB- Kelvin Kerkow without our volunteers we do not exist. THANK YOU ALL.

Next month will be another big one with many Christmas functions on the way.

Who knows, SANTA might be here?

On another note your yearly fees are now due, I would appreciate them being paid before the end of the year as this would make bookkeeping much easier.

In closing I would like to wish all members a very Merry Christmas and a Prosperous and happy New Year.

God Bless, Byron

Happy Snaps

President Irene's Day

We would like to welcome all new Members, Full and Social into our Club during December

We hope you enjoy the facilities of the Club, if you have any queries do not hesitate to contact the Club Secretary, Mr. Phil Marshall.

Get Well wishes

We wish a speedy recovery to any Members who have not been feeling well of late, and hope to see you on the greens real soon.

A great day was had by all plenty of laughter could be heard on the greens and in the clubhouse.

The roaring 20's theme was a huge success. Congratulations go to President Irene on her successful day.

As 2014 draws to a close we can look back with some satisfaction and the knowledge that, unlike a number of Queensland Bowling Clubs we are not facing closure or significant financial hardship. Whilst we have incurred significant expense during the year for building maintenance and equipment replacement and repair, we are still relatively comfortable and trading profitably. This is largely due to the efforts of our dedicated staff and hard working volunteers without whom we could not survive.

Membership Fees: After considering the fees levied by Bowls Australia, Bowls Queensland and The Sunshine Coast District, the Board resolved to increase the 2015 Membership fee for Full Members by \$5 to \$100. Most of this increase will be passed on in capitation fees (approximately \$70 in total each bowling Member) leaving our Club with approximately \$30 per member. Fees for non-bowling Members (who have full voting rights and enjoy all the facilities of the Club) and Social Members have been set at \$35 and \$5 respectively. However, while the fee for Social Members is unchanged, these members will now receive a full twelve months membership in their first year regardless of when they join the Club.

Board Meetings: At its November meeting the Board, in addition to routine business:

- welcomed Valda Orchard to her first Board Meeting as President of the LBA;
- agreed to install 8 new step down hand rails for the greens and thanked Snow Woollett for his generous donation towards their purchase; and
- approved the form and cost to replace the existing Director and Honour Boards with smaller and more contemporary boards similar to those in other clubs.

In closing, I would like to congratulate the new Bowling Arm Committees; thank staff and members for their assistance during the year; and wish those members who are not in the best of health, a speedy recovery.

Best wishes to all members and their families for Christmas and the New Year.

Phil Marshall

MBA President's Report

The end of November arrives bringing the AGM's for the Bowling Arm Committees.

Pelican Waters Bowls Club has had a good year with steady trading and a good working relationship between both Bowling Arms and the Board.

To all members on the MBA, many thanks for your commitment throughout the year in keeping everything running to plan. The biggest thanks of all should go to you the Members. The fun and friendship we share together is a credit to each and everyone.

Next year will bring new faces to the MBA along with new ideas and challenges. A revamp of the Club Championship playing format, along with ideas and plans to introduce New Full and Social Members to our Club are under way.

Not to forget the Staff of Pelican for the service and assistance given to the MBA. They are the best.

Please remember our friends who have left us this year and to our members not in the best of health, a speedy recovery.
