CHAIRMAN'S/MBA REPORT—Ross Mutton

The board is currently reviewing all aspects of the running of the club. We have purchased two poker machines which have replaced poker machines that were not returning a profit. We have also purchased a new Television which is on the south wall, and heat lamps (which will be installed shortly) to keeping food warm. This will be in conjunction with the buzzer system that has been introduced. We have also renegotiated with Bank of Qld on the fees we are paying saving our club in excess of \$2500.00 per year. The sprinkler system on the greens is the next item we are addressing as we are now watering the greens every Thursday evening the cost of repairs and alignment will be approximately \$1,400 this is a necessity to keep the water up to the greens to reduce tracking.

Unfortunately, we missed out on the grant to upgrade the Ladies facilities at the east end of the club, we are currently reviewing what the cost will be to start the work at our own expense with moving the games office down the bottom end and opening that area for high tables with television on the wall above the bar which will in turn make the dining area much bigger and brighter.

We have renovated the main cold room with a new reticulation system that will save us approximately \$3,000 per year in beer wastage, the Point of Sale (POS) system will be fully operational by the 1st of July we are currently trialling the POS with menu and liquor products being loaded in the system. As from the 1st of July prices for non-members will increase by ten percent on all goods sold by the club, members will need to produce their membership card when purchasing food or bar products to receive the discounted price.

Our club made a profit of \$11,550 for the month of May whilst I'm pleased catering is now making a slight profit we are still looking at implementing different ways to keep us going onward and upward.

On the bowls front we had life members day which was just brilliant 84 bowlers my thanks on behalf of our members to our great life members for putting on a special day especially to Frank & Rose Geritz the cake was magnificent and to our other volunteers thank you.

State of Origin day was next with Qld v NSW and the winner was QUEENSLAND another big day and thanks again to our volunteers for making this now a calendar event to be played every year, we have a in visit on the 8th of July from the Waterloo bowlers we need 50 Pelican players to match cost is only 5 dollars.

Congratulations to Graham Simpson & Keith Lindsay on winning the A Grade Men's Pairs in a titanic struggle defeating last year's winners Gavin Hazelwood & Daryl Rawlings by 2 shots we had a great turnout to watch the game and it did not disappoint a classic match.

The Mixed Pairs are currently being played good luck to all with the final to be played by the end of June.

Congratulations to the Ladies bowling arm on a great Fiesta carnival 30 teams took to the greens in what was a great turn out for our club to President Helen & your team you did our club proud special thanks to the ladies who sold the raffle tickets with over \$900 in sales well done.

Good bowling to all and as we always say because it's the magic that is Pelican waters Bowls

LADIES BOWLING ARM PRESIDENT— HELEN MCGLYNN

It's pleasing to see the commitment of our lady bowlers. We have had good numbers of nominations for our club championships and we always have volunteers to help out when needed. Thank you all.

Congratulations to Sue Kuskey and Julie Wolff on winning the ladies pairs. Jenny Oughton and Val Beckman were worthy of being runners up.

What an exciting day it was for the district major/minor ladies pairs played at Pelican. The Pelican ladies received the three prizes. Patti Claridge and Robyn Schey won the day. Jan McLean and Margie Skimin were runners up and Jen Gordon and Phyl Hallewell were third. The first and second teams were the only teams with 3 winning games. Congratulations to all.

The final of the B grade pairs will be played on Wednesday 20th. Congratulations to Phyl Hallewell and Annie Roughton on being the finalists. Have a good game.

Consistency commences on the 27th June. There has been a great response to this competition. It is good to have some variation and we are looking forward to it. Don't hit the jack!!!!!!

The Caloundra/ Waters shield was competed for on 14th June. We played at Caloundra and had an enjoyable day, although not a pleasing result for us. Some of us struggled with weight due to not competing on the grass surface too often. We hope to do better next year with the competition being played at Pelican. No excuses then!!

Just a reminder about our winter carnival on 21-25th July. There are still some vacancies for the ladies pairs being held on Sunday 22nd July.

On Wednesday 20th June we are having a breast cancer fund raising afternoon, in conjunction with our normal bowls afternoon. Ladies are encouraged to wear pink in support of this worthy cause. Afternoon tea will be extended from 2.15-3pm. A special guest who is currently undergoing treatment for breast cancer will be in attendance and will speak to us about her experience. All money raised from raffles and \$5 form green fees for each bowler will be donated. A special thanks to the board for their generosity.

Last but not least, a special thanks to the interclub selectors. With pennants just around the corner, we must have a commitment to our team and remember we are representing our club. Lets bring home a pennant or two this year.

Happy bowling
