Getting nearer to 2020 AGM. Good luck to members putting their names down to join the Board. It is very rewarding.

Really good to see our dedicated lawn bowlers out enjoying playing.

As the LBA and MBA start their club games. I would like to wish everyone "Good Luck", hope everyone enjoys themselves.

Interesting weather currently, the weather has been very wet then hot/humid but it is February so to be expected. Excellent to see the members continuing to turn up for bowls. Still the twilight games look very popular. Lovely time of the day to be playing.

Please keep the water intake up when playing and check on other bowlers. Sometimes we forget when playing how important fluid is on these days.

Work continues on the Men's toilets. Certainly is making a big difference to this area. Thank you everyone that has worked and contributed to this renovation.

See you all on the greens.

The Annual General Meeting has been set for Monday 23 March at 7.00pm at the Club. There are notices in the Club on the General Notice Board as well as on the Bar in 2 locations. If you would like to nominate for the Board, there are nomination forms on the General Notice Board, and forms can also be obtained from the Board Secretary, Tony Carter. If anybody would like to raise a Notice of Motion, forms can be obtained from Tony Carter. It would be great to see as many people as possible at the AGM.

Recently we circulated information on obtaining more Solar Panels for the club, in order to increase our production of solar electricity and lower our electricity bills and to provide long term savings to the club. If by chance, you did not receive the information, please feel free to contact Tony Carter who can provide you with a copy of the information.

The new club website is just about complete, and assuming no delays, the plan is to launch the new website on 1 March. Well done and thanks to all the people who have contributed to the development of the website, especially to Clive Dixon who has led the process and undertaken much of the work.

Good bowling to everyone

One of our Clubs' long standing Club member and generous sponsor

LADIES BOWLING ARM

Even though it has been very hot we have had a good number of Ladies come on Wednesday which is good.

We started the Fours on the 5th February and had quite a bit of rain but we managed to finish the game on the day. But by the time we got to the next round on the 12th February the heavens opened again so we restarted the second round on the 19th February so we hope the weather will now hold out. Congratulations to Wendy

Tonks who has done a great job.

The report from our members who travelled to Hervey Bay they had a great time and really enjoyed the bowling up there. I have heard that next year they are heading down over the border to NSW which sounds like another great trip is in the pipeline.

That is all from me,

Kaye Whelan President LBA

The first round of the *Club Fours* has been completed and the second round should be finished as this goes to press. Nominations are now open for the *Men's A Single*.

After discussions at the last MBA meeting we decided it was futile trying to enforce East/West roll-ups. This policy will now be dropped. Likewise, the gold coin roll-up donation will also be dropped for members. A roll-up fee of \$5 still applies to visitors.

Many Club members and friends recently enjoyed a trip to Hervey Bay organised by Steve and Patti Claridge. It was interesting playing under cover and under lights, also on grass at Pialba. Urangan Club certainly went above and beyond showing great hospitality. They served a sumptuous dinner, all cooked and served by volunteers. These away trips not only build great camaraderie amongst our own players it is a good promotion for the Club.

The Men's Arm has welcomed many new bowlers in the last few months and already some are volunteering to help. Great to see!!

Seaside Day is now confirmed as Sunday March 22nd, with a 12.30 start and sausage sizzle at the completion of the day.

A man rushed into a busy doctor's office and shouted, "Doctor! I think I'm shrinking!" The doctor calmly responded, "Now, settle down. You'll just have to be a little patient."

Leesa was happy to accept a donation from Ralph for not one, but two wrong biases !

MASSIVE EFFORT AROUND THE CLUB

The Club recently picked up a big load of high quality 'club-style' carpet from the RSL. The RSL Events Centre is undergoing a complete re-vamp so with their generosity (and a lot of behind the scenes lobbying by Lin) we were able to avail ourselves of most of it - free of charge. The pictures show some of the lads liberating the heavy rolls early one morning. Thanks to Greg Lodge for organising the pick-up.
