NEWS FROM THE BOARD CHAIRMAN

Thank you to everyone that turned up at the Boards half yearly meeting. It was a pleasure to see so many members come along. These meetings are very important and very informative. As I continue to say. "The Board has an open door policy". If you have a question or have heard something that does not sound correct. Just ask to speak to one of the very friendly board members and they will help you with the facts.

I don't know about everyone else, but before I knew it Christmas is just around the corner. Everyone is getting out and enjoying the festive season.

Last Saturday night was a very good example of that, with our Christmas Breakup and Presentation night. What a great time we all had. Fantastic tables set up in different themes and guests dressed accordingly. Unbelievable, everyone went to great care to get dressed up and I had trouble trying to work out who I was talking to.at times.

What can I say about the main feature of the night.? "Well done boys". Unbelievable, very funny and very enjoyable. Have a smile on my face every time I think about it. I think they all missed their calling. Well done everyone. Great Night and Company. You can catch some of the photo's on face book.

A very warm welcome to all the new members of our lovely club. Love to see new faces getting around the club both dinning and enjoying playing bowls.

Good to see so many bowlers playing twilight games on Monday and Friday nights. A great time of the day to get and play bowls.

For those I don't get to catch up with before Christmas I hope you have a very special time with family and friends and Santa is good to you.

Happy Bowling Everyone. See you on the Greens

Cheers Lin

Welcome to all the new members of our friendly club.

NEWS FROM THE BOARD

Congratulations to all new office bearers for 2020 for the Bowling Arms who were elected on 25 November, and many thanks to those who served during 2019. The Bowling Arms and the Board work very closely together and we look forward to working with the new Bowling Arms.

The Board has been undertaking an investigation into increasing the number of Solar Panels on our roof. This will reduce our electricity costs and produce long term cost savings for the club. Obviously there is an upfront cost for the installation, although we will be endeavouring to see if we can obtain a grant to fully or partially cover the cost. We will soon arrange a meeting with Members to communicate our plans and obtain approval.

We have arranged training on the defibrillator on Thursday 12 December from 10am to 11.30am. The training will be provided by Roger Barnes, who has provided training on the defibrillator in the past. If you are keen to participate, there is a registration form on the notice board near the Games Office. The club will be making a \$200 donation to the Coast Guard as a thank you for Roger conducting this training.

Finally, 17 January 2020 will be the last day of work for Michelle Felix because she is retiring. Michelle will have been with the club for 11 years. Her friendly personality is a key reason why our club is such a great club, but she is also such a hard worker, doing so many things behind the scenes and really helping to make our club so successful. We will all miss Michelle, and as a special thank you and a chance to say goodbye, the club is organising a special bowls day on Sunday 19 January. Details will be communicated to members soon, and Michelle is especially looking forward to having a bowl with Ralph Nolan!

LADIES BOWLING ARM

Another successful month for ladies bowls, we have had a few things happening this month. We had a great Wednesday afternoon playing our *Age Challenge*, it was on the 28th October between the Chickadees and the Chooks, great afternoon was had by all, but unfortunately for the Chooks lost to Chickadees.

We also had *Presidents Day* on the 20th November for Helen McGlynn. A game of bowls of 16 ends and then we came in for a lovely afternoon tea which we shared with some of our Past Presidents and our Patron Gwen Marshall. Helen had her husband and daughter and grandchildren were there as well. Patti Claridge and her band of helpers set the tables beautifully. Thank you to them all.

Thank you to Helen for all her hard work over the last 2 years.

Our *Christmas Party and Presentation* night was held on the 16th November. At 5.30 the achievements of our bowlers who had won Competitions over the year were presented with Trophies. And this was followed by a great meal followed by entertainment and dancing.

The Ladies Bowling Arm wish all our Members a Merry Christmas and a Happy New Year. Look forward to seeing you all in 2020.

Cheers, Kaye Whelan President LBR

"On Monday 25 November, both the Men's and Ladies Bowling Arms held their Annual General Meeting. The new office bearers are as per below. The Bowling Arms would like to thank all of those who served on the Bowling Arms in 2019, and to thank those who have been elected to the Bowling Arms for 2020. Our Club thrives because of the effort of the many volunteers in our Club and so thanks to everyone who volunteers and is associated with the Bowling Arms".

Firstly I would like to acknowledge the MBA committee this year. It would have to be one of the best I have ever worked with. Bill Sullivan VP, Stan Rogers JVP, Murray Small Admin and all our games office men, grounds men led by Barrie Hansen, Dads army and the support from our Board—thank you all, you made my job much easier and rewarding..

Our *Seafood Day* with 56 men competing was a good day for our Club with many looking forward to another next year. The Invisit by *Woodgate Bowls Club* was a huge success with 72 bowlers having a very good afternoon.

At the MBA AGM the new committee was elected with Bill Sullivan President, Byron Ewin VP, Mark Pollard Games Director, Stan Rogers JVP and Murray Small Admin Officer. All other positions were filled at the meeting showing great member commitment to our bowling arm and to our Club. I wish the new MBA Committee all the best for the next year.

On closing I wish all members a very merry Christmas and a prosperous and healthy New Year and will see you around THE PELICAN in the New Year.

Byron (VP)

The Sunshine Coast *PROBUS TRIPLES SHIELD* returns to our Club after an absence.

Winning team of Frank Young, Rod Bottomer and Alex Gamblin.

Well done guys. Can't wait until next year.

memsecpelicanbowls@westnet.com.au

or

2020 Membership

Bowling Membership for 2020 will soon be due. Fees will remain the same as in 2019 and will be \$120.

Our membership secretary, Phyl, will soon be issuing renewal notices and it would be great if members could please pay renewal fees within December because the club needs to advise numbers of members and pay fees to Bowls Queensland.

Social membership is just \$5 for 12 months?
How good is that?

Thank You!

Special Thank You from Lin

I would like to take this opportunity to thank all the volunteers for their time and hard work over the year.

You are all very special members of our great club and have changed our club forever.

We are all very proud of our new club and that is because of your hard work.

I would also like to personally thank two very special members of our club that are very special.

Thank you very much John and Sue Rachel for your hard work and ongoing financial support for all our projects we have taken on. Without this very special support some of our projects would not have been possible.

Frank has been a regular member of Dad's Army for 23 years and still makes a great contribution to Club operations - pretty good for 90.
