

WANTED KNOWN CLUB HISTORY “NAMES OF GREENS”

1. The “Henzell Green” so named because the late Bevan Henzell granted us freehold title to the land with the understanding it would not be redeveloped as residential. (A “Handshake Deal”)

(Bevan Henzell (Right) handing over the deeds of the land to President Noel Batch 1980)

2. The “Syd Lingard Green” Syd planned, developed and oversaw all aspects until we had a soil shed, two grass greens and a club house. For the club house Syd loaned us \$40,000 interest free until we could repay.

(Syd Lingard was awarded a MBE in 1987 “For his services to Bowls”)

Thank you Bevan - Thank you Syd - “Lest We Forget”
