NEWS FROM THE BOARD CHAIRPERSON

Hi Everyone and welcome to another Pelican Brief.

Patronage at the club has been good and is close to returning to the numbers pre-COVID. Bowling numbers are already back to normal, but social numbers are still a bit below the same time last year, but on the increase. We have undertaken a letter box to a significant number of properties in Pelican Waters and Golden Beach with the menu of the Bistro to raise the awareness of the club and drive more social visitors to the club especially. We are also sharing information to different groups on Facebook every Tuesday, Wednesday and Saturday about the Pizza and Roasts nights to also drive increased social patronage. We have seen some nights with good numbers of meals being served, so we will work hard to make sure that continues.

Financially the club is on a good path to rebound from the COVID impacts. This was predominantly driven by Jobkeeper, but unfortunately this has now ended for us now. It is vitally important we continue the positive direction of rebuilding our finances by being very careful with our expenses and by increasing our revenues.

On Tuesday 13 October, we had a visit from Shannon Fentiman who is the State Minister for Employment and Small Business as well as the Minister for Training and Skills. She was accompanied by Jason Hunt, the Labour candidate for Caloundra and they had lunch at the club. They selected our club to visit as we were a small business which was successful in obtaining a grant during COVID times from the State Government. It was a pleasant visit and they really love our club, the atmosphere and the food. Maybe in the future, having had them visit gives us some sort of relationship to build upon in order to get further grants.

Finally for this report, I would like to acknowledge and thank all the people in the club who volunteer their time to help out at the club. It is incredible the amount of support the club receives from the efforts of members and simply put, the club would not survive without the time and effort from the volunteers. On behalf of the Board, I'd like to say thank you to everyone who contributes to the club.

Enjoy your bowls and good luck to all.

Tony

Recently the Club was successful in a Grant Application to the Sunshine Coast City Council (SCCC) for installation of the carpet which was generously donated by the RSL Club earlier this year. We thank both parties very much for the support. This was to replace the carpet in the lower dining area. As a first process, we needed to remove all the furniture in the lower area and locker rooms, store it outside under the balcony, take up the old carpet and underlay and restore the floor in order to allow the carpet to be laid.

Under the captaincy of Lloydie Hawkins, a large team of volunteers descended on the Club on the morning of Saturday 26th September. Everything was going smoothly until it was revealed that the old underlay had turned to dust after many years and required some extra muscle power to clear the floor back to concrete. Our volunteers took just under 3 hours from go to whoa to do the work - **AND** back they came on Thursday after the carpet was laid to restore the tables and chairs so the Club could function again. We thank them very much. Great Club spirit guys! The carpet certainly makes the area look so much better..

Some of the many volunteers that helped to remove the carpet and to also setup again once it was laid.

NEWS FROM THE BOARD

The Board is in the process of applying for a grant from the Gambling Community Benefit Fund from the Queensland Government to increase the number of solar panels we have on our roof. We are seeking approximately \$25,000 and if we are successful, it will allow us to dramatically decrease our Electricity Bills each year, and any saving is money straight into our bank account.

Tickets for the *Christmas Raffle* are still being sold. We are still hoping all members will take a book of 5 tickets to sell. If you haven't already collected a book, can you please do so from either the Bar or the Office. Each book contains 5 tickets at the price of \$2 per ticket. First prize is a \$500 voucher at *Bowlers Paradise* kindly donated to the club by Byron. Second prize is a lawn bowls bag donated by *Lawnbowls2U*, third prize a bottle of whiskey, 4th prize a wallet and watch gift set and 4th prize a tin of biscuits, both kindly donated by *John and Sue Rachel*. The prizes will be drawn at the Christmas party on 5 December.

Don't forget that *Jackaroo Barrie Lester* is visiting the club on November 8 from 10am to 1pm for a coaching session and to tell a few stories and answer some questions. It is a real privilege to have an Australian representative Lawn Bowler at the club and it is important we get good numbers along. Please register your name on the notice board near the Games Office.

With *Palm Lake* establishing at the golf course, and *Oak Tree* retirement being built near Pelican Waters shops, we have contacted both organisations to promote the Pelican Waters Bowls Club and to see if there is anyway we can work together for the benefit of us and them. We'll keep you updated on how this progresses.

The *Come and Try Day* on Sunday 18 October was a great success with a large number of people attending to have a go at Lawn Bowls. We are expecting to pick up a few new members from the day. It was also great to work with our friends at

Golden Beach Neighbourhood Watch who sponsored the day and helped to promote and run the day. *Golden Beach Neighbourhood Watch* are wonderful supporters of the club and we really appreciate their involvement with the club.

That's about all for the moment from the Board. If you want to know more about what the Board is doing, don't forget that you can download the minutes from each board meeting from the club website, www.pelicanbowls.com in the "Member Only" section under "Our Club". Two men were playing a round of bowls, one of the men was just about to deliver his bowl when he noticed a large funeral group passing by on a nearby road. The man took a step back from his mat, closed his eyes and said a quick prayer.

His playing partner said, "wow that was one of the most beautiful and sensitive things that I have ever witnessed."

"Well", the other guy said "I was married to her for 30 years."

LADIES BOWLING ARM

Hello Everyone,

October has been very busy for the Ladies, all of the competitions have finished or very close to it. There have been some very close games which had very exciting finishes. Some of our new Lady Bowlers have done very well in some of the competitions.

Our Fiesta went very well, with some visiting clubs from around the Sunshine Coast entering as well. Everyone enjoyed the day, I imagine 104 Ladies all laughing and talking in our Bowls area. When we had lunch it was loud but at the end of the day and everyone was having a Wine and Nibbles waiting for the results, it seemed to get louder. It was really good to see everyone enjoying themselves. I would like to thank *Pelican Waters Land Sales* for sponsoring the day. Their support is really appreciated.

On Sunday the 25th October the Club held a Birthday Bash which included two games of Triples - Club Selected, and we all had Birthday cake for afternoon tea, which was very nice. There were lots of prizes to be won.

Can't believe we only have 9 weeks to Christmas. 2020 has been very hard for us all, with self isolating and the Borders being closed etc. I am from Victoria originally and have a lot of family who live there and over the last few months I have noticed it is all getting to them, but as I write this some of their restrictions are being lifted which is good to hear.

Cheers Kaye Whelan
President LBA.

I went to the chemist today and asked the assistant "what kills the Corona Virus?" She replied to me "Ammonia Cleaner" I said "Oh, I am sorry, I thought you worked here"

MEN'S BOWLING ARM

President's Report for MBA October 19th, 2020.

It is both pleasing and exciting, if not a little overwhelming, to see the number of activities we are fitting into each week at the Club.

The remarkable success of the *Birthday Bash* last week cements the camaraderie that has developed in the whole Club since our return to playing.

The numbers competing in the club- selected days are growing in popularity.

The resounding success of the *Come and Try Day* shows there is a lot of interest in the community regarding Bowls.

Our weekly bowling numbers are increasing with Tuesday numbers about the same. Thursday pm rinks are always full, and we are looking at returning to Thursday morning play in early December.

Friday's have just taken off and are being successfully run now by Board member Helen McGlynn.

We had a record number of entries in the *Novice Singles* this year.

After some great games in the *Consistency Singles* we are now up to semi-finals stage with four of the men players battling out the final stages.

The *District Medley* is the next major event on November 14. The date for the *State of Origin* is now November 22nd.

Unfortunately, with such a full calendar *Patron's Day* has been postponed to the beginning of next year.

B Singles are almost completed, and the *Mixed Pairs* are currently being played.

Nomination for the *Mixed Fours* have now closed, and the draw is completed.

Busy times ahead, which is great for our Club!!!

A reminder the AGM for the men's Bowling Arm is on November 23rd.

Bill Sullivan.
