NEWS FROM THE BOARD CHAIRPERSON

Hi Everyone,

Welcome to the first Pelican Brief for 2021.

How great it is to have 2020 behind us and we look forward to a successful 2021. However of course, COVID is still a present risk and we all need to continue to do our part to keep everyone safe.

I would like to thank everyone for their cooperation in getting onboard with the new procedures to sign in using the QR Code. We know the paper system was easier for everyone, however the new Government requirements of using a computer system made it necessary to change our approach.

I'd just like to touch on a few highlights from 2020.

Membership: Following the membership renewal period in December 2020, I am very pleased that we started the year with 314 financial bowling members, compared with 306 in 2019. This is great and shows our membership is healthy and continues to steadily and sustainably grow.

Our Ordinary Profit (before COVID support and depreciation) for 2020 was \$48,000 compared with \$65,000 in 2019. This is only a reduction of 26% overall in a time when the club was completely closed for 2 months (meaning we had no revenue at all yet had continued expenses) and when we did reopen, we had reduced numbers at the club for many months. Furthermore, for the remainder of 2020 after we did reopen, there was lower consumer sentiment caused by COVID.

Finally, one last success highlight from 2020 is that we have been able to pay off the loan that was in part used to carpet the greens. This means the loan was paid off approximately 12 months early. Those repayments are now being saved to create a fund to protect us against a potential COVID impact again, and also to be used towards the re-carpet of Green # 1.

I consider this to be a wonderful result and thank you to all members for their support to make the club this successful. In particular, to everyone who volunteered their time and effort meaning we could reduce our expenses and achieve this great profit result in a time of significant difficulty. As you can see above, your efforts have truly been worthwhile.

Here's to a wonderful 2021.

Happy and successful bowling to all.

Regards, Tony Carter

Our Men's Patron, Frank Geritz was recently presented with a personalised Pelican Club shirt by our Men's President Byron Ewin.

This was to recognise Frank's recent donation to the club. Frank has always been more than

generous in donating to the Club over many years in many ways. So, when the Council stopped mowing our vacant land last year we needed a solution quickly and Frank kindly donated his venerable Greenfield ride-on-mower. With a few minor adjustments and a couple of new parts the mower hasn't missed a beat. I'm told the usual operator is Peter Cobham and it's going to be difficult to get the keys off him any time soon!

Thank you!
FRANK

LBA Report

The ladies recommenced bowls for 2021 on Wednesday 13th January. Our twilight game was very well attended and the concept enthusiastically received especially while the weather is so warm.

The new committee did a great job in their roles and we look forward to a very positive and successful year. These Twilight sessions will continue for all of January and as we move into February there will be some days when play will comprise of one longer game. This will enable greater variety.

Entries for the Championship Fours are encouraging with play commencing on February 3rd. We are planning to present our very popular Fashion Parade on 8th March at 10.30 am and tickets will be soon be available from the Bar. Keep an eye out for further details.

Many are looking forward to our trip to Hervey Bay and we thank Patti who continues to look after us with updated information.

MBA PRESIDENTS REPORT

It is good to be back in action again after a hectic Xmas /New Year period. Bowls are going along well with good numbers on our greens. It is wonderful to see our members taking to the shortened game on Monday & Friday afternoons, so the MBA have decided to start another shortened game on Thursday Mornings at 9am.

We have entered the Great 8s Competition in Divisions 3 & 5. This runs for 6 weeks on a home and away basis and begins the first week in February. It is 1 Team of fours and 2 Teams of pairs. Come along and watch, it starts at 1pm on Saturdays.

The finals of the Club Men's Triples has been played with the team of Graham (THE FOX) Roberts, Dave Stephens & Stan (THE MAN) Rogers defeating John (MARBLES) Magner, Jon (HARRY) Butler and Terry Johnson in a nail biter 24-22 extra end. Congratulations to Stans team maybe Terrys team will have better luck next year.

Lastly I would like to thank the ladies who took advantage of joining the Men on Tuesdays over the break. Everyone enjoyed the company and it is good to see the comradeship that is in our Club. No wonder we are known as The Friendly Club. Look forward to seeing the ladies playing with us again at the end of the year.

See you around The Pelican

Byron
