Pelican Brief is proudly printed by **Pelican Waters Land Sales**

Hi Everyone and Welcome to another Pelican Brief.

A lot of activity is now going in to getting ready for the AGM to be held on Monday 29 March at 7.00pm at the Club. The Audit has been underway, preparation of the Annual Report, processing nomination forms and notices of motion and more. I'd like to encourage as many members as possible to come along to the AGM and also to nominate for the Board if you would like to contribute to the club. Nomination Forms are on the Notice Board near the games office.

It's also with regret that we note Shirley Carr will not be continuing in the role of Ladies President. I thank Shirley for her time as LBA President and welcome Denise Fazakerley who is taking over in the role.

The club has recently applied for a grant to increase the size of the solar panel system which will generate more electricity and reduce the size of our electricity bills. Of course, it is also a greener way to produce electricity. We have also submitted an EOI for a grant to clean and paint the tiled roof section of the club. We are now invited to submit a full grant application. We have also submitted for an extension to a grant where we receive a contribution to our operating expenses each year. Finally, we are considering another grant designed to be used for grounds and facilities improvements.

The Key Performance Indicators of the club show that the club is healthy and doing well. Membership numbers are increased at this time of the year compared to previous years, and finances of the club are looking healthy. All main business centres of the club (the bar, the bistro, gaming and the greens) are recording a profit. We have paid off the loan and are essentially debt free except for repayments on gaming machines acquired in 2019. This is now allowing us to build savings towards the significant items of replacing the greens in the next few years. All in all, our future looks positive as long as we remain consistent with our vision of being a friendly and vibrant local community bowls club.

Tony Carter Chairperson

Board AGM – 7pm

Monday 29 March commencing at 7pm at the Club. Nominations and Notices of Motion are sought and forms have been placed on the notice board near the Games Office. The forms are also available on the Members page on the club website. We'd like to encourage as many members as possible to come along to the AGM.

LBA Report

Shirley Carr started the year as LBA President. Unfortunately, Shirley regretfully had to resign due to ill health. I wish Shirley a speedy recovery, and I look forward to working with my ladies' committee members who are Alice, Helen, Lyn, Pam, Phyl and Wendy.

Our Twilight games were very well attended. Play has now reverted back to our 1pm starts. In the Championship Fours, there has been some fierce competition.

Our wonderful patrons, Gwen Marshall and Frank Geritz will hold a Patron's Day on Friday, 5th March. There are 96 bowlers competing.

We look forward to the Fashion Parade on Monday 8th March. A big thank you to Jan McLean for organising this event.

Denise Fazakerley LBA President

The Club recently had new signage installed on the northern façade of the main building.

MBA PRESIDENT REPORT

Our bowling numbers are continuing to be above average even with the warm weather. Monday and Thursday continues to be full with our Friday afternoon improving each week. We will try to get Thursday morning going next month. Our Patron's Day is completely full with 96 Players booked in. It will be a great day for Gwen and Frank.

We are trying to combat the gathering of players when paying for Bowls by opening another door for exiting and putting the score board outside. We will see how this works and reassess this arrangement in a weeks time.

Thanks
to Our
Volunteers!

Each morning the games office is busy with our volunteers putting the day's game in place for all our wonderful bowlers. Stan the Man, Jacko and Byron Bay are seen here working out the logistics on a rainy Tuesday Club Select day. Lots of work — lots of phone calls and hopefully provides a great day later for everyone. Thankyou volunteers once again.
