## Chairperson's Report

## Chairperson's Report

Solahart has now been engaged to install our new Solar Power System. The old system will be removed and the roof will be cleaned before the new system is installed. We have also been advised that we have been successful in a grant application for \$2,000 to go towards the purchase of a new ride-on mower to enable the grounds of the club to be mowed. We are most thankful to Frank Geritz who has allowed the club to use his ride-on mower for the last little while.

Savings towards the replacement of Green 1 is progressing well and we are now beginning to get things in place in order to apply for grants towards the new green. At the moment, we don't have a timeframe for the replacement of Green 1 and will continue to hold out as long as we can, as this allows us to grow our savings making our future plans such as the replacement of Green 2 and retractable shades possible in a shorter timeframe.

The COVID outbreaks around Australia at the moment are a continuous reminder that COVID is still present and can strike quickly. Let's all hope we on the Sunshine Coast remain COVID free and our club continues to operate. But at the same time, the Board continues to operate with contingencies just in case.

Pennant Season begins soon for both the Men and Ladies and we want to wish all Divisions, Teams and Players the very best of luck. We know you will represent the club well.

Tony Carter

## LBA PRESIDENT'S REPORT

I shall take this opportunity to thank the LBA Committee members for keeping things running

smoothly in my absence during May. It has been great to see Shirley at the club on a regular basis again.

Our Fiesta on 9 June was once again a huge success. Everything ran smoothly except for the weather. We had a huge downpour early in the morning whilst playing and had to retreat to the club for some hot drinks. Renee kept us happy with extra milk etc. A huge thank you to Wendy, Phyl and Shirley for organising the day. Thanks also to the ladies who served morning tea, took lunch orders and helped with the raffles.

Lyn did a great job in organising our fundraiser. The raffles made \$643 and the Money Board \$130.

Margaret, Joan and Gwen were inundated with ladies wishing to purchase at their "Bring and Buy". They made \$210. Renee and her team did a marvellous job with the catering.

The Champion of Champions 4's was played at Mooloolaba. Our ladies, Jacqui McLennan, Robyn Schey, Kim Mearing and Jennifer Oughton were thrilled to have made it into the semi-finals.

Six teams competed in the Caloundra Waters Shield on 17 June. Unfortunately, Denise had to hand over the Shield to the Caloundra Waves Club who took out the title this year. Pelican ladies had won the Shield in 2019. There was no competition in 2020 due to Covid.

Next year it would be great to see some of our newer ladies competing for the Shield.

Consistency for the ladies commenced on 16 June with a number of ladies vying for the title.

Denise Fazakerley

Pauline Maver (right) defeated Patsy Richardson in the finals of ladies B singles. A close match that was great to watch. Well done to both ladies.

**A Police Officer came to my house and asked me where I was between 5 & 6. He seemed irritated when I answered: "Kindergarten"**

## Snow Woollett Memorial Day incorporating the Bramble Bay / Pelican Waters Challenge

Westerly winds made bowling conditions tricky when Bramble Bay visited Pelican Waters on 19 June for the Snow Woollett Memorial Day which incorporated the Annual Bramble Bay / Pelican Waters Challenge. Despite the winds, some great bowls were played by all teams, with Pelican Waters retaining the trophy with 26.5 wins to 15.5 wins. Congratulations to winners on the day, Jacqui McLennan, Sue Kuskey and John Heger. Also pictured is Tony Carter receiving the perpetual trophy from Jack Woollett of Bramble Bay.
