Hi Everyone,

In early May, Andrew Wallace visited the club and made an election promise that if the Liberal government was returned, the club would receive a grant of \$220,000 to contribute towards the replacement of the carpet on Green #2 and installing retractable shades over both greens. As we all know, Labor has been elected as the Government, and so unfortunately we will not receive the grant. While this is clearly disappointing, it just means the club will continue to follow the plans we already have in place, with a goal of replacing green #2 in 2024 and installing retractable shades in around 2027.

The weather has certainly not been friendly to bowls in the first few months of the year, and the rain continued in May. This impacted our ability to play bowls and reduced the number of people visiting the club, both of which impacted the finances of the club for the month. What would really help catch up from the slow May, would be perhaps if you could plan to come to the club one night during June for dinner and a drink or two.

Let's all cross our fingers for a predominantly sunny Winter.

The replacement of the carpet appears to be on track and we are hoping to commence work as soon as the Winter Carnival finishes, and to have work completed in time for the Pennant season. We need confirmation from the supplier, Bioscapes, before we can commit to this time frame however.

Finally, it looks like we will have a couple of vacancies on the Board next year and so we are commencing activity early to look for people who may be keen to join the Board. This will just help to ensure a smooth transition. If you are interested, please contact Tony Carter to discuss further.

Good bowling to everyone.

Tony Carter

LADIES BOWLING ARM President's Report

Hello everyone,

As we dodge the rain, the ladies continue play club championships and social bowls. We had a very successful day for the ladies on the 18th of May winning back the Watersheild from Caloundra. We had a lovely day . Thank you to all who helped.

It was a shame Centaurs day was postponed, due to rain but it is now being played on the 4th June.

Snow Woollett day was cancelled until next year.

The Medley is the next specialty day due to be played on the 18th June.

Green fees have increased this month, overall the increase has been received well. We have also commenced our Winter starting times.

The amalgamation of the LBA and the MBA has been a topic of interest in the club. The men's arm voted unanimously and the ladies arm had a majority vote. Both ladies' and men's bowling members have been advised of the proposed amalgamation. We look forward to a harmonious process in achieving this outcome.

Happy bowling,

Sue Lodge

President LBA

What a month it has been ,with so much rain and so many days canned. Unfortunately as many of you know Centaur Day was washed out and is now being held on Saturday 4th June, please put your team in or name as a spare there is prize money of \$1500 for the Day, proudly sponsored by Caloundra RSL Sub Branch.

Snow Woollett Day was also a wash out and will be programmed in the future.
