Hi Everyone,

Welcome to another edition of the Pelican Brief. June so far has provided excellent bowling weather, a welcome relief from the terrible weather during May (and the other months of the year so far) and all the rain we had. Unfortunately, all the rain in May caused many disruptions to bowls and impacted the revenue and profit of the club.

We are all starting to get excited about the Winter Carnival coming up in mid July. Unfortunately, the District has had to cancel their Winter Carnival events due to lack of numbers. Clearly the impacts of Covid are still being felt and people are just not back to normal routines yet. The registration numbers for our own events are pretty good although it would still be good to get a few more teams in each category.

As soon as the Winter Carnival is finished, we will commence work to replace the carpet on Green #1. Green #2 is showing signs of wear and we are now investigating options of what we can do, and when. No decision has been made as yet, and we will continue to identify options and look to select the best path forward. The decision we land on might mean a change to the timing of initiatives in the overall strategic plan of the club.

Another significant activity underway is a working group has been established to investigate the feasibility of merging the MBA and LBA into a single entity. The way of the future, as evidenced by many other states in Australia, and numerous other districts and clubs in Queensland and on the Sunshine Coast, is blended committees. The activity of the working group will keep us ahead of the curve and I thank the MBA and LBA and working group members for their efforts.

Finally, it seems certain that there will be a number of vacancies on the Board when elections are held at the next AGM in March 2023. To help ensure smooth operation of the Board after the election next year, we are putting out the feelers already to find new people to be on the Board. If anybody is interested, please contact Tony Carter.

Good bowling to everyone.

Tony Carter

July 2022 PELICAN BRIEF

Please have all reports, articles and photos (with descriptions) emailed directly to editor@pelicanbowls.com by Wednesday day 27th July 2022

DEADLINE

LADIES BOWLING ARM President's Report

Hello everyone,

The ladies Fiesta held on the 8th June ran very smoothly. It was a very colourful day with all of the different uniforms from other clubs. Thanks to all those who helped. A special thanks to our sponsors Pelican Waters Land Sales and Henzells .

The Church of Christ Medley held on 18th June was a great bowling day - loved the 2 bowl pairs. It was well organised by Graeme and Loretta Searchfield. Thanks to all the volunteers who filled the many positions on the day. Sponsors for the day, Church of Christ, Thank you.

It is with regret Wendy Tonks our Games Director of 13 years has resigned. She has managed job description well. Wendy was always on top, dedicated and reliable. Wendy will be sorely missed . We wish you and your family all the best.

In the next couple of weeks, Wendy's hard work will be recognised with a celebratory games day.

A very productive meeting of the LBA and MBA was held to explore the possibility of a merger of the MBA and the LBA. A full committee meeting of both arms will be held at 9am on Mon the 27th June.

Happy bowling,

Sue Lodge

President LBA

Wendy Tonks retired from the Games Director position after 13 years of service. She was presented with a beautiful bunch of flowers.

Interim Games Directors with joint responsibility are (L - R) Robyn Schey and Helen McGlynn while Pam Bishop retains her assistant position.

Finally the rain has let us back onto the greens. This month we have had good numbers filling most Mondays' & Fridays' short Games. These days continue to be a great draw card.

Tuesday's numbers hover around 26 Teams of triples and Thursdays are full in the afternoon pairs. We have started a singles game on Thursday morning with a start this week.

Our Winter Carnival, due to begin on Wednesday 16th July, is still in need of more entries. Entries are about 50% at this stage. I would encourage our members to enter the Men's Fours event as this will be good practice for our upcoming Pennant season.

With regards to the proposed joining of Bowling arms, a working committee is being formed to proceed with this project.

See You Around "THE PELICAN"
