The monthly *Pelican Brief* is proudly printed by **Pelican Waters Land Sales**

Hi Everyone and welcome to another Pelican Brief.

The club has been a hive of activity over the last month with Pennant season concluding and all teams playing their final games. It was great each week to see so many Pennant players coming back to the club to celebrate representing the club. Congratulations to all involved in the Pennant season. The club performed well, with Div 8 men winning the flag, and Div 4 and Div 6 men reaching the finals. Well done all.

Activity is in progress to get a quote for replacing Green #2 and when we have everything ready, we will call a Special General Meeting to get approval to spend the funds to renovate the Green. Green #1 is rolling really well and will only get better as it gets more use. It will be so exciting to have 2 top quality greens.

We continue to get new bowling members each month and we are now at an all time high which is a wonderful reflection of how our tiny club has a great spirit and is a wonderful and fun club to bowl at. Soon it will be time to renew membership for 2023 and we are kindly asking everyone if they can renew by 15 December. The membership fee for Ordinary Bowling Members remains unchanged for 2023 and is \$130 for the year.

All the best and good bowling to everyone.

Cheers,

Tony

The Laws and You

"Law" Questions

- Q 1. A lead has delivered the jack and played their first bowl. The opposing lead then queries the length of the jack. What must happen?
- Q 2. In a fours game, team A's second is about to play when they notice the mat and the jack have not been placed on the correct centre line. What must happen?
- Q 3. A player mistakenly delivers another player's bowl which touches the jack. What must happen?
- Q 4. Skip A in a team game is about to deliver their first bowl. At the head end, the jack is positioned about 6 metres from the front ditch and the nearest bowl to the front ditch, is 4 metres from that ditch. Skip A states that team B players at the head must be standing up on the surrounds of the rink. Is he correct?
- Q 5. In a triples game, team A played first. When the skips changed ends, the bowl of skip B had been placed on the mat and skip B bowled it, disturbing the head before the mistake was noticed. What must happen?

End of an Era

For years, the Chook Farm supplied our eggs in large 2.5 dozen trays, and a hardy band of club volunteers packaged and bagged them into dozen lots. Recently the club organised with the Chook Farm to deliver the eggs already packaged in lots of 1 dozen.

It is therefore, the end of an era, with our volunteers no longer needing to do their work every Wednesday morning.

For years, John Sharp, Bob Lindsay and John Hogan, also known as the Egg Men, volunteered their time, so many members and others from the community, could enjoy the most delicious fried and scrambled eggs going around.

More recently, Trevor Clarke, Lyle Campbell and Steve Warsecha have also joined in to help. To all the volunteers who have packaged the eggs for so many years, the club wants to say a huge Thank You. For every dozen eggs sold, the club receives a tiny donation, but when you add up all the dozens of eggs over the years, those donations have been much appreciated and really helped the club.

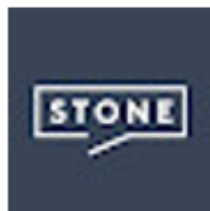

Thanks and well done to all.

LADIES BOWLING ARM President's Report

The laying of the new green is complete. Long awaited but nonetheless very exciting. The celebration organised by the Board and the MBA was a great success. Lovely to see our Patrons Frank and Gwen roll the first bowls down the green.

Thank you to the Board for providing the sausage sizzle for the bowling members.

Some great ladies championships have been played and congratulations go to all the ladies who entered.

The pennant season has come to an end for the ladies. Our ladies played some lovely bowls.

Division 7 ladies on the last day, had a day win against Mooloolaba who are the top pennant team for 2022, well done ladies.

Thank you to the Board for organising party treats on the last day of play.

Routine games the graded and drawn triples were a great success. The novice singles are about to commence. The springtime triples will be played on the 5th of October and the Major Minor x4 to be played the 19th of October. Thank you our Games Directors.

Discussions re the possible unification of the LBA and the MBA committees continue.

Happy Bowling to all,

Sue Lodge

President LBA.

I just found out I'm colourblind.

The diagnosis came completely out of the green.

Do you feel like an extra cold beer once you get home - or perhaps a glass of ine? Did you know the Club sells six packs and bottles of wine to take away? Just ask our friendly bar staff as you are leaving and they will be very happy to help you out.

On Sunday 18th we had an in-visit by Bribie Island Social Bowls Club. They came and mixed with our Bowlers for a great afternoon of bowls after a light lunch. The Day was such a success that they have already booked another visit for next year.

Our Pennant season has come to an end with our Div 1 team in 5th place, Div 4 & 6 making the finals but sadly after great games losing the semis to Kawana. Our Div 8 team cracked the egg and won the Flag - a great game winning both games. There will

be a Presentation night at Buderim Bowls Club on Sat 22nd November. Well done GUYS.

Our New Green is playing nicely with all enjoying it.

A big thanks to our Coaches for their work in getting our bowlers actions and deliveries fixed. They have fixed some who many thought was impossible. Well done.

Stone Real Estate (formerly Sea side) have announced that they will sponsor a \$1000 Open Triples Day on the 30 th of October. An entry form is on the notice board outside the Bowls Office. They are also supplying 32 new bowls' mats to our Club. A big thanks to Stone Real Estate for this.

We have been given our Winter Carnival dates for next year, (Sat July22nd til Wed 26th), and we are in the middle of the planning for this Carnival.

Coming up we have PWBC Mens Fours \$2000 Day on Nov 5th. Get your entries in and who knows?

We are also in the beginnings of finding teams for the G8s Comp starting in February and running for 10 weeks. There will be a notice on the Board for expressions of interest in this Event.

Finally on Monday 28th of November at 7pm we have the AGM of the MBA. If you wish to join the bowling arm all positions will be declared vacant and any paid up Member can put their name down for a position. There will be a form on the Main Notice Board 3 weeks before the Meeting.

See you around "THE PELICAN " Byron

"You" Answers

NOTE: one of the answers below is incorrect. Which one? - see November's Pelican Brief.

A 1. Play continues. The opposing lead must deliver their first bowl as once the first bowl in an end has been delivered, no one can challenge the distance of the jack. (Law Book page 22).

A 2. The mat and the jack must be moved to the centre line before Team A's second delivers their bowl. (Law Book page 23 and 25).

A 3. The other player's bowl must be replaced with the player's own bowl which must be marked or nominated as a toucher. It doesn't matter what teams the players were in. (Law Book page 41).

A 4. In this situation, No. Players (team B) who are not in possession of the rink at the head end must stand behind the jack and away from the head. There is sufficient space behind and away from the head for team B players to stand. Only when the jack is in the ditch, must players stand up on the rink surrounds. (Law Book page 28).

A 5. Team A skip must choose whether to: leave the disturbed head as it is and team A skip to play their two bowls one after the other to get back to the proper order; OR replace the head in its former position, return skip B's bowl and go back to the proper order play; OR declare the end dead. (Law Book page 41)

Ron Blackburn was recently issued with his Patriarch Badge on his 90th birthday by MBA President Byron Ewin. Ron is a great Club stalwart and a bloke who doesn't stop giving. Thanks Ron and good wishes.
