- Of an afternoon, you may roll up only after a green is completely clear of a Club Event.
- For example, on a Saturday, if Social Bowls is being played on Greens #1 & #2, you may rollup on Green #2 only when all players have finished playing on Green #2. If Social Bowls is not being played on Green #2, you may roll up on Green #2 while Social Bowls is being played on Green #1.

- The club reserves the right to not allow rollups on any day or time for any reason, which may include maintenance or setup of greens.
