All Players and Markers must wear the club uniform. There are no rollups or practice for participants on the day of a Championship game (unless approved by the Games Directors), only up & back trial ends before the commencement of the first end are allowed. **Games' Directors determine rinks** to be used for Championship games. Please write date and times for On or Before games on the Championship White Board. All On or Before games must be completed by the specified date (noting that other club events that are already scheduled take precedence eg, Winter Carnival, Pelican 4s). If you are unable to organise your game to be played by the required date, please alert the Games Directors. **All dates are provisional & may change.**
